## TRAINING PROGRAMME ON BEST PRACTICES FOR INDUSTRIAL SAFETY

VENUE: PRODUCTIVITY HOUSE

DATE: 31 JULY, 2026

TIME: 09:30 AM-04.30 PM

### INTRODUCTION

The best industrial safety practices rely on a proactive approach integrating management leadership, worker participation, hazard identification, and continuous training. The main goal of safety and health programs is to prevent workplace injuries, illnesses, and deaths, as well as the suffering and financial hardship these events can cause for workers, their families, and employers.

This programme is suitable for: Manufacturing Industries, Automobile workshops and Engineering Industries.

### RESOURCE PERSON

#### Mr. UMMER B

Former Senior Joint Director of Factories and Boilers, Government of Kerala. Graduate in Mechanical Engineering, ME (Industrial Safety Engineering), MBA, More than 42 years of experience in Industrial Safety, Inspection of IBR

boilers (construction projects and factories), safety training and consultancy for MAH industries.

### WHO SHOULD ATTEND?

- Employees, Technicians, Supervisors, Mechanics, Welders, Electricians, Painters, Store Personnel, HSE Personnel.
