**NH By pass, Palarivattom, Kochi**

## Resource Person

**Dr Sajeev Nair, FIE, C.Eng, MIEEE, PhD**

Chairman and Managing Director & Advisor for COE – Centre of Excellence-ASSET ([www.asseteducation.in](http://www.asseteducation.in)); ISTD Vice Chairman, Trivandrum Chapter; Former Senior Vice President of Reliance Industries Ltd, Mumbai; Senior leadership roles in Royal Dutch SHELL- Global, ADNOC group UAE, PDO Muscat, EXTEERRAN in the US, KELTRON and KAL Manufacturing sector in India

## Introduction

Operations Excellence is not just a set of tools or techniques—it is a mindset that drives organizations toward sustained competitiveness, efficiency, and quality. In the Indian context, where industries are rapidly evolving amidst globalization, digital transformation, and increasing customer expectations, the pursuit of excellence in operations has become both a necessity and an opportunity. By attending this programme participants will gain actionable insights to streamline processes, boost productivity, and foster a culture of excellence aligned with organisational growth and global aspirations.

## Objective

To develop actionable insights on integrating Operational Excellence into daily execution and long-term strategy, offering a practical field-tested guidance on how world class organisations build and sustain excellence.

## Highlights of the session

- Concept of excellence, achieving excellence in manufacturing operations; 7 Ms of Operations: Man (Human Capital) | Machine | Material | Methods | Minutes (Time)| Money

| Management
