Training Programme on

STORES MANAGEMENT AND INVENTORY CONTROL FOR PROMOTING WASTE REDUCTION

DATE: 02 JULY 2026

VENUE: PRODUCTIVITY HOUSE

TIME : 09.30 AM - 04.30 PM

INTRODUCTION

Effective State and Inventory management for material cost control are critical factors to the success of business, irrespective of its size and volumes. If Stores is operating without predefined procedures, the company will waste money, become disorganised, and ultimately fail to generate cash. Inventory control, shows how much stock you have at any time and how you keep track of it. It applies to every item you use to produce a product or service, from raw materials to consumer goods. The Inventory control aims to keep the right amount of products in your business.

This training programme is designed to improve Skill set of participants in Stores Management and Inventory Control Practices.
